

1870. Oct 20.

1870

On the 20th October 1870 I was at Middleton having the first day of my
vacation from school. I had a good time there and enjoyed myself very
much. I went to the station and took the train to Bradford. There I
met a friend of mine, Mr. J. H. Smith, who was also on vacation.
We had a good time together and I enjoyed myself very much.
